The Blue Bird Circle invites you to celebrate our **One Hundred and One Anniversary Luncheon, *Joyful Friendships*, on Tuesday, March 26, 2024 at 11:00 am at the The Junior League of Houston. Our speaker will be The Reverend Russell J. Levenson, reviewing his latest book, “Witness to Dignity”.**

We are proud to announce that since 1998, The Blue Bird Circle has donated **32.129 million dollars to our four clinics:**

- The Blue Bird Circle Clinic for Pediatric Neurology
- The Blue Bird Circle Research Center at Texas Children’s Hospital
- The Blue Bird Circle Rett Center
- The Blue Bird Circle Developmental Neurogenetics Laboratory at Baylor College of Medicine
- The Blue Bird Circle Center for Advancing Treatments

This past year The Blue Bird Circle made a transformational commitment to the Jan and Dan Duncan Neurological Research Institute. This investment will launch **The Blue Bird Circle Center for Advancing Treatments**, a consortium of top scientists working together at the Jan and Dan Duncan Neurological Research Institute and throughout Texas Children’s Hospital to accelerate life-saving research and develop effective therapies for the most complex and devastating pediatric neurological diseases.

Please join us in this vital endeavor of providing solutions, treatments and cures for our children and their families who love them so much. We thank you in advance for your generous and benevolent support.
